Appendix 8: Swimming Level Declaration

School

Dear Parents and Guardians,

The School District requires that we receive a declaration of swimming level from each parent or legal guardian before the commencement of a trip with water-based activities. Declaration of an 'expert' swimming level does not allow participating students to swim unsupervised or to engage in water-based activities during unstructured time.

Please be aware that no student of School District No. 48 is permitted to swim without the supervision of a licensed lifeguard. This also excludes the use of hotel swimming pools. For the purposes of this trip, teachers, chaperones, and other students may not act as lifeguards regardless of certification.

Please indicate which one of the following three swimming levels most closely resembles your child's experience:

- Beginner:** Little or no formal training
- Some formal training;** a competent swimmer in open water
- Considerable formal training** (i.e. Bronze Cross, Lifeguard, etc.); a very strong swimmer in all water conditions
